

Miss Wende's December Newsletter

During the month of December we will be talking about the letters G, H, and I. For G week the children will be making glitter glue galaxy projects on their alphabet books. We will also be reading Goodnight Moon and painting with green paint. We will be listening to classical guitar music. During H week we will be talking about the animals that Hibernate for winter and making hats on our book page. We will be reading The Hat by Jan Brett. We will talk about emotions and what makes us happy or sad. The letter I is a great chance to talk about icicles, winter weather and polar animals. We will be making sparkly icicles on our book page for the letter I.

The children will also hear stories about the different

holidays including Chanukah, Christmas, and Kwanza.

December is a great month for talking about the change in the weather. One of our favorite stories (that is a great one for practicing reading sight

words) is The Jacket I Wear in the Snow by S. Neitzel. In this book there are tiny pictures inserted in the text to allow the children to say the words. We will be discussing winter clothes and begin decorating our bulletin boards with winter related projects.

Due to inclement weather stay tuned to the television stations 2, 4, and 7 or radio stations for school closings.

* School closed December 23rd – January 2
School in Session January 3rd 2012
