

February

Miss Wende's February Newsletter

This month we will be learning the letters M, N, and O. Along with our letters we will talk about ground hogs day and celebrate Valentine's Day.

For the letter M book page we will be making mittens for the book "The Mitten." We will talk about marbles, mosaic, and make mice with pompoms. The children will have special snack of marshmallows with hot chocolate. For Ground hog day we will be creating a ground hog puppet out of paper bags.

In our second week we will be studying the letter N. Some of our projects will include making birds nest, noodle necklaces, and stamping with numbers. For our alphabet book page we will make vegetable number soup. We will also play number hopscotch and Mr. Fox to continue learning to count and identify numbers.

During our last week of February we will talk about the letter O. We will be making oreo cookies for our alphabet book page. Some other O words we will discuss are oval, octagon, and the prepositions over, under, in and out, as well as talking about opposites. We will begin working on our second class book "Otis's Day Out." We will be celebrating Valentine's Day on Monday the 14th.
