

January

Miss Wende's January Newsletter

This month we will be learning about the letters I, J, K, and L. We will also be focusing on the season of Winter. Our first week back from winter break is **I** week. We will introduce the idea of writing a book around the character Iggy the Piggy for I week. The children will help with brainstorming ideas and then we will create illustrations. For our alphabet book the children will be finishing our iguana.

For the letter J we will be reading the fun book *Jamberry* and making pretend jam sandwiches on our alphabet pages. We will be doing an obstacle course practicing our jumping and hopping skills. Some of our other jumping games will include; hopscotch, trampoline, and jump rope.

In the third week we will be talking about the letter K. We will make kaleidoscopes for the letter K on our alphabet page. During the week we will talk about kangaroos, kites, and kittens. We will also play kickball in the gym.

For the fourth week we will discuss the letter L. Our alphabet project for the letter L will be a lollipop. Some of the words we will talk about are long and short, solid and liquid, llamas, and writing letters.

We are also looking forward to playing in the snow. There will be a note written home of when we would like to have some outside fun in the snow. We will keep you posted when we need extra outerwear.

~Book list~

[I Love You Just the Same](#)
[It's About Time, Jesse Bear](#)
[Jamberry](#)
[Norma Jean, Jumping Bean](#)
[Bread and Jam for Frances](#)
