

## Miss Wende's June Newsletter

**We are happy to finally spend some time outside on the playground!! It has been a long couple of weeks of rain and everyone is so happy to enjoy the sunshine. The children have been playing "soccer" and practicing taking turns and using good sportsmanship. Please remember to use sunscreen as we hope to get outside as many nice days as possible.**

**On June 17<sup>th</sup> at 10:30 we will be celebrating with our friends from The Play and Learn School in a graduation event. The children are helping to make decorations and practicing our songs etc. to get ready for that special day.**

**We have spent a week on each letter of the alphabet and finally finished with Z. The children are now having fun with a variety of alphabet review activities. We are playing alphabet bingo, word puzzle games, letter treasure hunts and letter matching**

**games to reinforce the letters. It will be helpful for kindergarten to focus on letter recognition and the sounds they make when passing signs, reading books, playing games etc. to help your kids get ready for reading and printing more in kindergarten.**

**Thank you to all the families who met us at the farm. Our field trip was a big hit with everyone. We appreciated having extra hands to keep it safe and so much fun.**

**Please feel free to send in a favorite book to share at circle time this month. We will let your child help tell the story and be the circle time assistant. We will return the books the same day.**

**Reminder:** Please send in a white t-shirt for our graduation if you have not had a chance to do so yet.

**Thanks,  
Miss Wende and Miss Gina**
