

## Miss Wende's May Newsletter

This month we will be learning the last four letters of the alphabet; W, X, Y, and Z. Some of the projects we may work on this month will contribute to our graduation celebration as well. Also, on May 17<sup>th</sup> we will be going on our school fieldtrip to Kelkenberg Farm.

In our first week we will discuss the letter W. Some of the activities include creative art using truck/ car wheels, making masks to go with the reading of Where the Wild Things Are. For the alphabet page we will be making watermelon slices.

The second week we will focus on the letters X and Y. For our X page the children will create an X-ray / skeleton drawing. We will play xylophones to music. We will develop a

collaborative story with x and y words with the children. We will focus on the color yellow during creative art projects.

For Z week we will be working on a zoo mural. We will make zebras on our alphabet book page.

### ~Book List~

Where the Wild Things Are

Wheel Away

Rosie's Walk

The Wind Blew

Weather

Yes I Can

What I see

Tiger flower

Put me in the Zoo

Zin Zin Violin
