#### HAPPY MOTHER'S DAY

Women have strengths that amaze men.  
They bear hardships and they carry burdens,  
but they hold happiness, love and joy.  
They smile when they want to scream.  
They sing when they want to cry.  
They cry when they are happy  
and laugh when they are nervous.  
They fight for what they believe in.  
They stand up to injustice.  
They don't take 'no' for an answer  
when they believe there is a better solution.  
They go without so their family can have.  
They go to the doctor with a frightened friend.  
They love unconditionally.  
They cry when their children excel  
and cheer when their friends get awards.  
They are happy when they hear about a birth or  
a wedding.  
Their hearts break when a friend dies.  
They grieve at the loss of a family member,  
yet they are strong when they think there is no  
strength left.  
They know that a hug and a kiss can heal a broken  
heart.  
Women come in all shapes, sizes and colors.  
They'll drive, fly, walk, run or e-mail you  
to show how much they care about you.  
The heart of a woman is what makes the world  
keep turning.
