

# May

## Miss Wende's May Newsletter

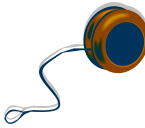

The first week of May we will be introducing the letter W. The children will be making a mosaic of colored and cut paper to create a wildflower for our W page. This was great practice in following multistep directions as they needed to color, cut and assemble. We looked at pictures of wildflowers and talked about many W words.

For the second week we focused on the letter X. This is a challenging letter for everyone but we did explain what an x-ray is and showed examples. We drew skeletons on our book page and played with the xylophones in our instrument collection. We also had a little treasure hunt and talked about maps and X marks the spot.

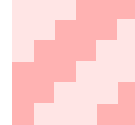

Week three was Y week. The children dipped yarn in yellow paint to create our Y page. We played Yo Yo and talked about other Y words, (yes, young, yellow, etc.)

The last week of May was devoted to the letter Z. Of course zebras were a main topic this week as well as animals

you may see at the Zoo. We made zig zag designs on our book pages.

### REMINDERS:

Farm trip is Wednesday May 18<sup>th</sup>. Please remember a brown bag lunch and all disposable drinks etc.

No school on Monday May 30<sup>th</sup>.

### ~Book List~
