

# November

## Miss Wende's November Newsletter

This month we will be focusing on the letters B, C, Veterans Day, and Thanksgiving. For the letter B, we will be talking about bears, bugs, and using beanbags and balls during our gross motor play. Some of our projects will be making a Teddy bear on our alphabet page and creating bugs from scraps.

## Veterans Day

The week of Veteran's Day, the children will be making a card for a veteran, learning some patriotic songs and marbling painting red, white, and blue on an eagle project.

Letter C, we will be talking about cats, cookies, corn, and collecting c objects to discuss throughout the week. Some of our projects will be making cornucopias, constructing cat puppets and making cookies in a cookie jar.

## Thanksgiving

For Thanksgiving we will focus on being thankful for all of our families and friends. The children will be making pen pals with a classroom of kindergartners from Chicago. We will be sending them Thanksgiving cards. The children will also be helping making butter, pumpkin bread and sharing a few other harvest menu items for our Thanksgiving "feast."

Everyone will have a chance to help make and then wear either a Pilgrim or Native American costume to the feast.

### November Book List
