

## Olmsted Center for Sight-Early Education Program

Dear Parents/Guardians,

It is always an exciting time of the year to welcome in the new Fall class of Room 108. I look forward to another enriching and exciting school year at the Early Education Program. I will be keeping in touch with you throughout the year by writing in your child's communication book. Please feel free to ask any questions you may have or share recent family events so I can make conversations of specific topics that your child will understand as they learn how to improve their speech skills. I can also be reached at our office number **836-7556**. The easiest time to reach me is between 8:00-8:45 in the morning or 2:00-2:30 in the afternoon.

You can look at our monthly themes and check out any upcoming events by checking our website at [www.olmstedcenter.org](http://www.olmstedcenter.org). I will also be keeping you updated in your child's notebook regarding our activities as well as how their week is progressing.

Please send in the following supplies.

- Large Backpack (to **easily** fit lunchbox, projects, notebook)
- rest blanket
- Lunchbox
- communication notebook (spiral or composition style)
- box of tissues
- one container of clorox wipes
- an extra set of clothes (underwear, socks, shirt and pants)
- an occasional box of crackers, cookies

**Thank you so much for your help with all of the above.** It is so nice to start off the year with all the supplies that help us keep your child comfortable and feeling at home in the classroom.

I look forward to meeting all of you and want to extend a warm welcome to your child and the whole family.

Warmest regards,

Wende Essrow, M.S.Ed., Classroom teacher
