

March

Miss Wende's March Newsletter

We are all happy to celebrate the coming of SPRING this month. The children are looking forward to the melting of the snow and hopefully our first visit to the playground this month.

We will be beginning the first week of March introducing the letter P. Some of the activities for P week include having microwave popcorn for snack and making movie style popcorn for a P page of our alphabet book. We will be reading stories about characters beginning with p such as puppies, penguins and polar bears. We will also be having a Pajama party day on Friday. Please allow your child to come to school with pajamas on for the day if they are comfortable with that idea. If any child chooses to just bring in a pair to wear for part of the day that is fine as well.

The second week of March we will be introducing the letter Q. The

children will be assembling a quilt on their alphabet book, learning about quilts on a porcupine and practicing answering questions. We will build pretend castles with blocks and talk about kings and queens.

The third week we will be focusing on the letter R. We look for rocks around the neighborhood and make rabbit projects. During gym we will focus on running games like duck, duck goose and relay races. For our alphabet page we will create a red collage of mixed media scraps.

Our final week in March is S week. We will be reinforcing all the fun things we love about Spring. Hopefully we will go on walks and note the sprouting early Spring bulbs and returning birds. For our book page we will make the planet Saturn.

~ Book List ~

Little Polar Bear

A Pig is Big

The Puppy who wanted a Boy

Quincy the Porcupine

Reminder: No School March 18th, 2011 Staff Development day
