Classroom News Letter
September 2011

WELCOME TO PRESCHOOL!

All of us in Room 108 welcome our new friends Montrell, Maya, Mikey, and Cole and their families to this school year! We can't wait for more friends to join the fun here in our room.

Our days will be very busy as our schedule includes structured free play, story time, circle time activities, projects, gym or playground, centers, lunch, rest, and music before saying good bye. As you can see, your child's days will be quite full!

Remember, it is very important that we keep the lines of communication open. The Monthly Calendar which was referenced in the last newsletter may be re-vamped into something more appropriate for this group of children. I do promise to keep you informed of our plans! My email will be mvara@olmstedcenter.org. Unfortunately, our classroom is having computer troubles, so it is still best to reach me at school. The number is 836-7556.

Themes

The beginning of this month we will spend getting to know one another, making friends, and being together at school. We will read many books including I Go To Preschool by Bettina Patterson, Corduroy Goes to School by Dan Freeman, Ten Apples Up On Top by Dr. Seuss and Big Red Apple by Tony Johnston. We will also read and sing about buses. September also means Apple Season! We will be counting and sorting apples, playing apple games and making some wonderful apple projects.

Reminder

We will go outside on the playground or go for a walk in the neighborhood, so please dress your child for the unpredictability of our fall weather. Please apply sunscreen to your child before school in the morning. Additionally, please send a labeled bottle of sunscreen for your child to keep in school for use throughout the year. We will re-apply if we go outside in the afternoon.

HAPPY BIRTHDAY MONTRELL!
